Drug Enforcement Administration

[Docket No. 93-52]

Robert A. Leslie, M.D.; Denial of Application

On May 13, 1993, the Deputy Assistant Administrator (then-Director), Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Robert A. Leslie, M.D., of Los Angeles, California, proposing to deny his application for registration as a practitioner. The Order to Show Cause alleged that the Respondent's registration would be inconsistent with the public interest as that term is used in 21 U.S.C. 823(f).

Respondent, acting pro se, requested a hearing on the issues raised by the Order to Show Cause, and the matter was placed on the docket of Administrative Law Judge Mary Ellen Bittner. Following prehearing procedures, a hearing was held in Los Angeles, California, on December 8 and 9, 1993. On July 27, 1994, in her

opinion and recommended ruling, findings of fact, conclusions of law and decision, the administrative law judge recommended that Respondent's application for DEA registration be denied. In a footnote of her recommended decision, the administrative law judge referenced specific documents that were submitted by Respondent after the administrative hearing. The administrative law judge recommended that the Deputy Administrator not consider these submissions, since most of the documents pertained to matters previously litigated and conclusively decided in a previous criminal action, and therefore, consideration of them was barred by the doctrine of res judicata. No exceptions were filed by either party.

On August 16, 1994, Respondent filed a Petition for Reconsideration of the administrative law judge's decision recommending denial of his application for DEA registration. On August 17, 1994, the administrative law judge denied this petition as lacking in merit.

On August 30, 1994, the administrative law judge transmitted the record to the Deputy Administrator. The Deputy Administrator has carefully considered the entire record in this matter and pursuant to 21 CFR 1316.67, hereby issues his final order in this matter based upon findings of fact and conclusions of law as hereinafter set forth. The Deputy Administrator concurs with Judge Bittner's recommendation not to consider specific post hearing submissions of the Respondent. Accordingly, these submissions were not considered in rendering this decision.

The administrative law judge found that Respondent graduated from medical school in 1955, became licensed as a physician in 1958, and practiced medicine in Los Angeles during the period at issue in this case. On April 1, 1986, a complaint was filed in the Municipal Court of Long Beach, California, charging Respondent with seventeen misdemeanor counts, sixteen of which related to the unlawful handling of controlled substances. Following a jury trial, on October 9, 1986, Respondent was found guilty on eight counts of unlawfully prescribing, administering, furnishing or dispensing controlled substances between July 1985 and January 1986. Respondent's convictions were affirmed on appeal by the Appellate Department of the Superior Court, State of California, in a Memorandum Judgement issued on May 18, 1988.

Based on his criminal convictions, on August 17, 1988, the California Board of
